Howie

Where do I begin to describe
a year like this one. Once
again you have been an
extra big part of my year
and that place that you
hold in my heart has been
made bigger with memories
of the many things we have
shared.

Good luck this summer
and I do hope you enjoy
every minute of it all.

Oh and lets not forget
our lunch table discussions.
I learned so much! HA

And all I can say is
that you're one of the greatest
people I know and I
really do love ya a lot
for all the many things
we have shared. I'll never
forget 'em! Love ya

I love you very much.

Helen,

We sure had fun in French, didn't we?

Good luck in the future and God be with you always.

Angela Lawson

Helen,

What can I add to what Mr. Hill just said.

Next year on "CoffeeCapers" is going to be great and so are you. I can't think of anything else to say so I'll just quit writing.

Love,
Joel

"H",

Let's call class to a beginning. I don't think I could stand another week of it. Otherwise this has been a great year. Good luck this summer and I hope we get some classes together next year.

Eddie Hayes

P.S. Maybe I'll see you at the lake.

Helen,

Well, another year has gone by. I can hardly believe it! Remember Mr. Hill's class and the letters. And Mr. Woodard. We had fun even if we didn't learn much! Will see ya next year when we're seniors. Be good and keep your love life growing!!

TS

is best?

Love ya,
Brinda

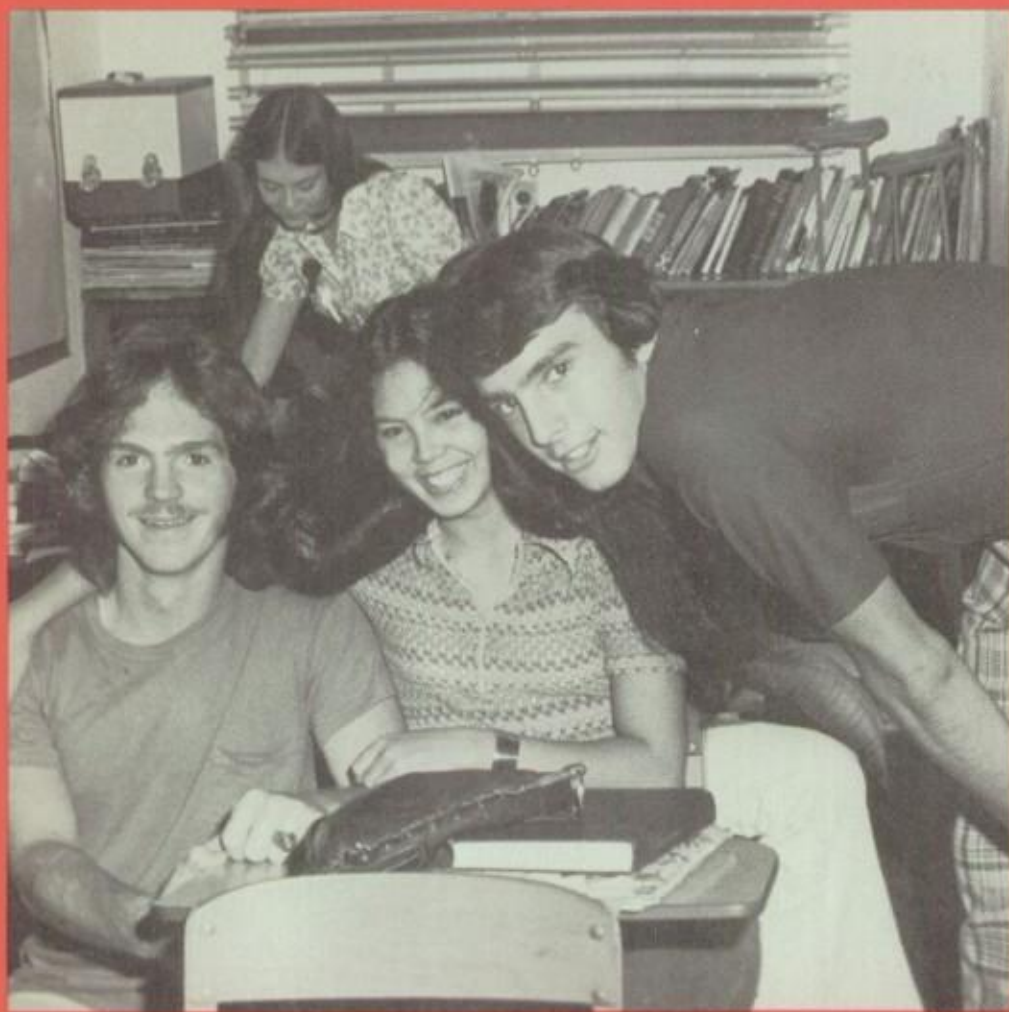

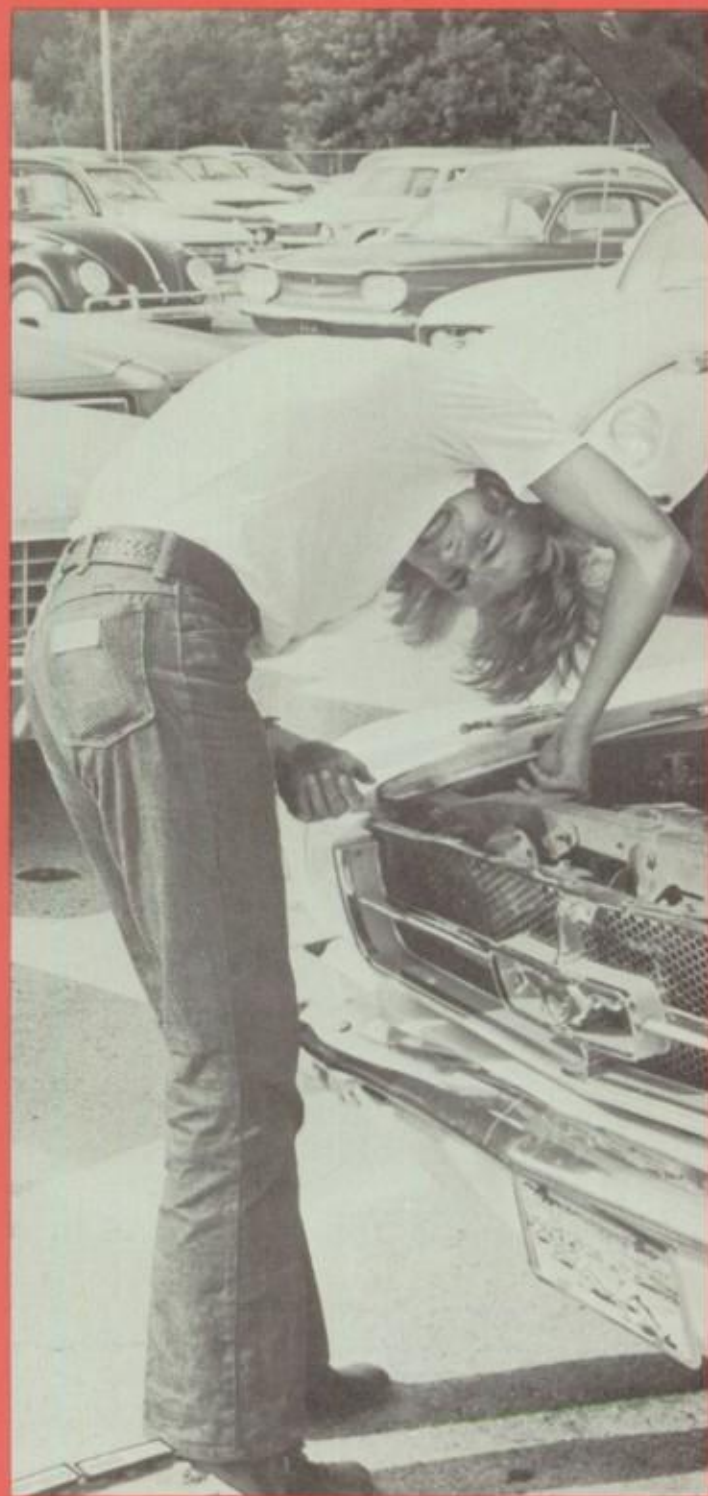

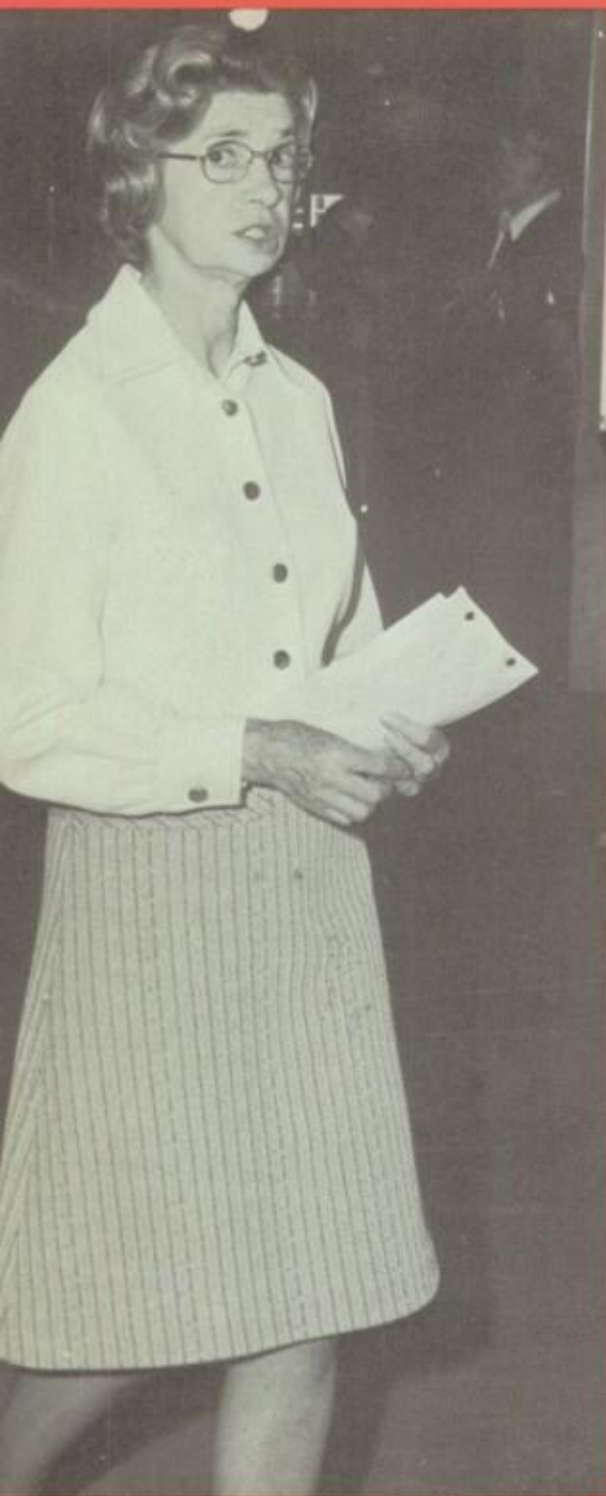

Helen, that I'm sure we'll all see you in the movies. Good Luck. Mrs. Jones

Helen! I've been searching for a big space & I finally found it! This year really has been fabulous and I am glad we have stayed such close friends. Your friendship really has meant a lot to me - you always had an open ear waiting to hear all my problems! Never forget all those hectic homerooms, no taking turns to come visiting across the room with each other. We finally made it through all those pledges (twice a day for us lucky ones!) Remember cutting up in the auditorium during the Southern Assemblies! Good luck next year on your radio show - I'm glad I talked you into going out! You better let me be on it lots! (Like every show!) Remember that time we went on that picnic to Notches Trace? That was fun! I hope you have a fabulous summer & study hard! I'll come down and see you, OK? You are a great person & friend & I'm glad I've had the joy of your friendship for so many years! I love you!

Always remember this great enthusiastic French class. We did have a lot of laughs that I won't ever forget. This year has seemed pretty mixed-up but it wasn't all that bad. I wish you a lot of luck in all you do - you deserve it.

could have spent more time with you! It would have been great. I was glad to give you a ride home after school. It wasn't any bother. Helen,

We've had some good times here and Mrs. Godfrey's room. I'm glad you're still in club, I almost wish it was. Hang in there cause even if I don't agree with every single rule Mrs. Meek is still the best of all. Remember what I always said, I want to meet the one you end up with. She'll probably be from Katarpoo or somewhere far away like that. Good luck with whatever (maybe Dudley) come all the same time. Love you!

Thank you!

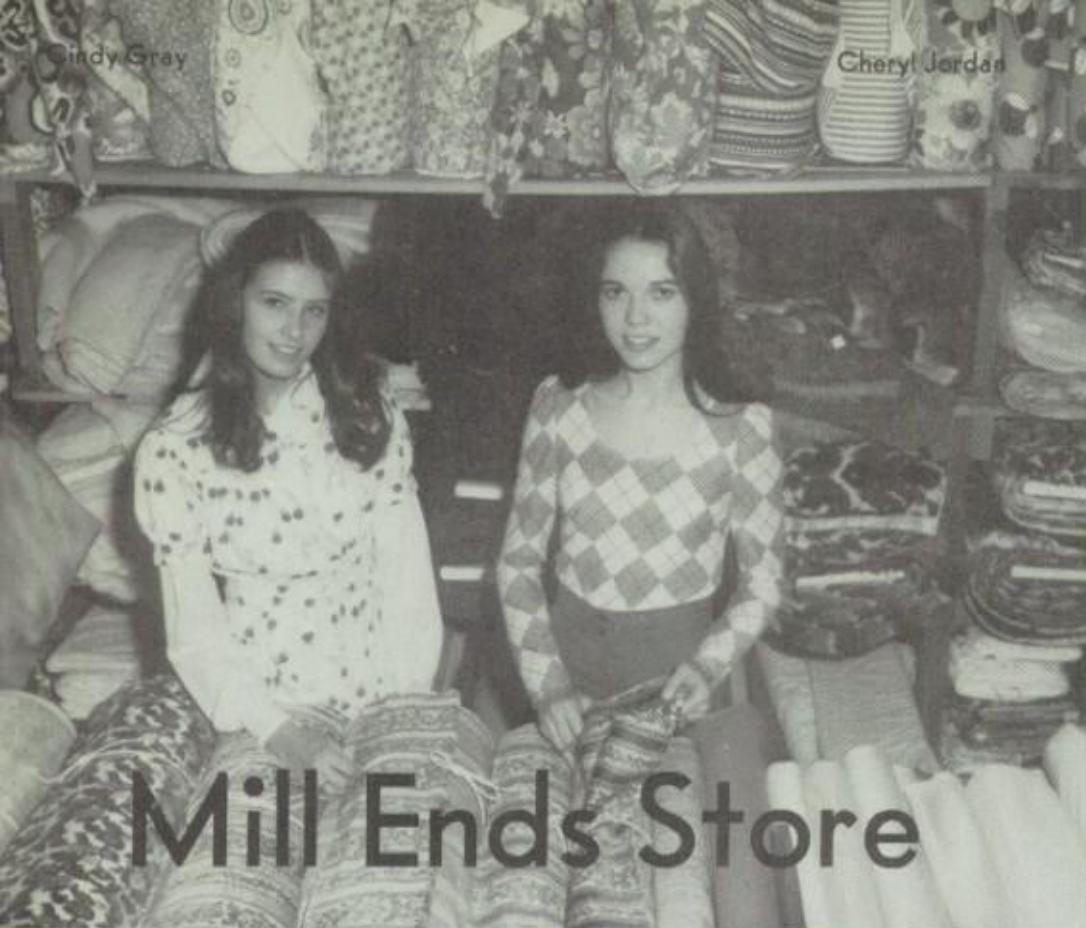

Helen,
One more year to go. We've known each other a pretty good while now haven't we? Wish we could have had more classes together this year, maybe we will next year. Thanks for going steady with me all the times in Spanish. Take care of Dudley this summer. Hope to see you. Be good.

Love ya,

In Memoriam

Mrs. Minnie Groom

For some things the human mind can find no answer. One of them is the way of life. All we know is that men must meet each day as it comes — with heads that, though they be bruised, are still unbowed.

Life is Real, Life is Earnest and for a day-brightener ponder this: Today provides another steppingstone on your pathway of life.

It is my wish that you be showered with warm greetings, cheerful voices, and hearty handshakes. As you circulate amid friends, let your gait be lively, your outlook positive — realizing the impact each new day can have on your destiny. Heed this counsel of Shakespeare: "Make use of time, let not advantage slip."

Helen, howdy sweetie.

Well its been a great year
We've had alot of fun with Mr Hill
in Homeroom. I sure am sick of saying
the Pledge though. You a beautiful
and sweet girl; and I'm glad I glad
I had one class with you.
**"Don't walk in front of me,
I may not follow;
Don't walk behind me,
I may not lead;
Just walk beside me
And be my friend."**

Be a good little
girl. Love Always,
Tony
(Anthony James Smith)

Helen,
I have really enjoyed all our Dramatic
talks about Drama, also about Dudley +
Dimitri. You're a fantastic actress and I wish
you all the luck in the world. So when you
reach the top with your name in lights, all
I ask is that you remember me. @

Love Ya!
Jackie

Helen,

I have truly enjoyed knowing you. I am glad we had a class together. You made the class have a little fun. I have known you for a long time, but I really didn't know what you are like. I am glad to know now I will stay away! Ha! Just adding a little humor to the old book!

See you next year!
Kim Eaton

Dear Helen;

After many long hours of study, I have concluded that you must be crazy; but I think a lot of you anyway.

Best Wishes
Jack Fowler

~~Helen~~ Helen,

I have enjoyed knowing you so much these past few years. I can't believe the time has gone so fast. You're one of the most fantastic people I've ever known and one of the very few who seem to know what you're doing most of the time. I hope you always have the best in life, you deserve it. Also I hope you'll have an easy decision with your boys. Good luck always and please don't forget me.

Love,

Sherry May

THIS SIGNING WAS A FAILURE — DIDN'T TURN OUT ANY YEAR! BUT THERE'S ALWAYS NEXT YEAR! ^{THING LIKE I WANTED IT —}

Well hey!

What do you say?! Another year in a long series of years... not very different, yet very different.

It was so much the same: full of laughing & tears and good times & lots of love!! But the laughing was for different jokes (or lunch table stories); the tears came for a whole set of tragedies or boys. (Wow! I don't think I could imagine our lives without problems with — (boys) substitute appropriate names for '73-'74.) Good times like double dating at the drive-in, parking for 2 hrs. (good times?), going to the YELLOW LANTERN, cruisin', talking about Dotson. Lots of love for each other (always) and for Ray. Dudley, Dotson, how many?!

I think you & I have about the greatest potential for emotion of any two people I know. (Take that any way you want to!)

Next year will mark the end of an era, so to speak. We'll have to really live it up & pack a million memories in it! 'Cuz we may not see each other for a while after that. But, anyway — we've got a lot of time to laugh, cry, have good times, & love!

With love,
Jan

Helen,

This year has really flown,
but it has been fun. Those days in
Spanish were really something else.
Well, next year we will finally be
up there on top. Have fun this
summer & I'll see you next year.

Karen Godwin
